ABOUT CAMPUS & COMMUNITY STUDENT SERVICES

CCSS assists students who reside off-campus (i.e., students in non-university owned or certified housing) adjust to living independently in the campus district and greater Champaign-Urbana Community. We provide students the information, resources, and referrals they need to be safe, successful, engaged, and responsible students and Champaign County residents.

Vision
Our vision is for every student residing in non-university owned or certified housing to succeed by reaching their full potential as ethical leaders and engaged citizens.

Mission
Our mission is to support students residing off-campus with the information and resources they need to build constructive relationships with the university and local communities.

Core Values
- Inclusion: We will model appreciation for individuality and respectful dissent while also promoting social justice, a welcoming environment, and an acceptance of the differences that make us all unique.
- Learning: We will empower and inspire students to create an environment for learning and strive to provide high quality services and educational programs.
- Excellence: We will provide innovative, high quality services and resources for students. We will also strive to improve all aspects of our work through evidence-based practice.
- Community Engagement: We will continue to provide opportunities for students to be active and responsible members of the campus, local, and global community.

OUTREACH & SERVICES

CCSS empowers students with information promoting safety, community service and public engagement. The Connection monthly e-newsletters, written by our Community Liaisons, is a key vehicle for disseminating timely information and resources regarding renter’s rights and responsibilities; personal and campus safety; resolving roommate conflicts, and other topic pertaining healthy living and financial wellness. Educational workshops and outreach activities constitute another major avenue for reaching students. Signature programs in this area include:
- The I-Watch: Campus Safety Workshops
- The Welcome to Our Neighborhood: Door Hanger Project
- The Campus town Walk As One Program
